

Kenosha History Center and Southport Lighthouse School Tours

Tours are available Monday through Friday, year round, to students in grades K – 12.

We have three galleries to see, at approximately 30 minutes each (two located at History Center, one Southport Light Station):

- Yesteryear Gallery – Geared to 3rd grade studies (great for other grades as well)
- Rambler Gallery – Kenosha’s auto-making legacy and other industries that shaped our town’s history
- 1866 Southport Light Station and Museum

Tours are best-suited to 30–45 students on campus at one time; larger class sizes may switch with the Kenosha Public Museum or Kemper Center.

Cost is \$3.00 per student (or \$6.00 for both the History Center and Lighthouse), and there is no fee for teachers or chaperones.

To schedule, call or email:

Chris Allen 262-654-5770 ext. 102

Hawthorn Hollow One Room School House

The One-Room Schoolhouse program is *living history* where students and teachers experience a one-room school house including lesson plans and other period activities; school is taught as it was in 1906. The location is the grounds of Hawthorn Hollow Nature Sanctuary.

Classes are held in the Fall and Spring of each school year, and cost \$8.00 per student. For more information, contact:
